## Letter from the President

This cold, damp spring will surely turn into warm summer days very soon. Our lake should be milfoil free for another season.

Dave Weaver and I attended a meeting with the state DEC on March 15<sup>th</sup> in Wells. A full report will be presented at the spring meeting.

We can also look forward to a discussion of a summer get-together and cookout, being organized by Mark Young.

Because I have a voice problem, Dave Weaver has agreed to run the meeting.

## Meeting Agenda

1. Welcome and Introduction of Homeowners.
2. Secretary's Report
3. Treasurer's Report
4. DEC meeting Report and Discussion
5. New Business—discussion of summer party
6. Comments, questions, concerns?

**Lake Hortonia needs you!** LHPOA is always looking for volunteers, particularly in the areas of fundraising, lake treatment, and membership development. If you are interested in helping our association, please contact Kent Pieri.
