

# Advisory Notice and Map

The Lake Hortonia Property Owners Association and SŌLitude Lake Management plan to conduct an aquatic herbicide treatment using SePRO **Renovate OTF**<sup>®</sup> (active ingredient triclopyr) in Lake Hortonia as authorized under Aquatic Nuisance Control Permit #2545-ANC

The target date/time for the initial treatment is **Tuesday, June 26, 2018, beginning at 9 am.**

Signs will be posted around the shoreline, along adjacent roadways; the Hubbardton and Sudbury Town Offices; and at all public and private campgrounds and access points with the exact treatment date/time and updated use advisories.

## Water Use Advisories and Recommendations

- NO USE of Lake Hortonia waters and water from the outlet stream FOR ANY PURPOSE on the day of treatment including boating, fishing, swimming, domestic (household) use, or irrigation.
- Swimming/wading, boating and fishing may resume 48 hours after completion of treatment.
- NO USE of water from Lake Hortonia and from the outlet stream FOR DOMESTIC PURPOSES beginning the day of treatment and continuing until notification is provided that the active ingredient in SePRO Renovate OTF<sup>®</sup> is at or below 75 parts per billion (direct water intakes may be used for toilet flushing 24 hours after completion of treatment).
- NO USE of water from Lake Hortonia FOR IRRIGATION PURPOSES including for watering lawns, trees, or other plants until notification is provided.

The exact duration of the above recommendations on this Notice is unknown. Please refer to the posted signs for up-to-date information regarding water use recommendations. Bottled water is available upon request by the Lake Hortonia Property Owners Association (contact information below) to any person restricted from using its domestic water supply for drinking or food or drink preparation. IF A RESIDENCE OR COTTAGE IS RENTED at any time after the initial treatment until December 31, 2018, the property owner is responsible for informing all tenants of the treatment and these advisory water use recommendations. Any person who chooses to ignore these use advisories does so at their own risk.
